AI For Everyone, AI By Everyone

Agenda - 3ʳᵈ to 16ᵗʰ July

Celebrate the essence of AI at LTIMindtree & to become truly AI first organization.

Objectives

- Organizational AI awareness - enabling 81K+ associates, achieve this milestone well before the 30th of Sept.

- Engage through Spoke-hosted booths – fostering an inclusive environment where associates can engage, experience, and network with colleagues. (DU, PU, BEU)

- Demonstrate our organizational capabilities to partners through sessions and booths hosted by partners .

- Disseminate Customer Zero stories to everyone, showcasing real-world applications and successes.

- Most importantly bring the energy back (Hackathon winners, best booths, best enablement BU…)
